EUROPEAN PARLIAMENT

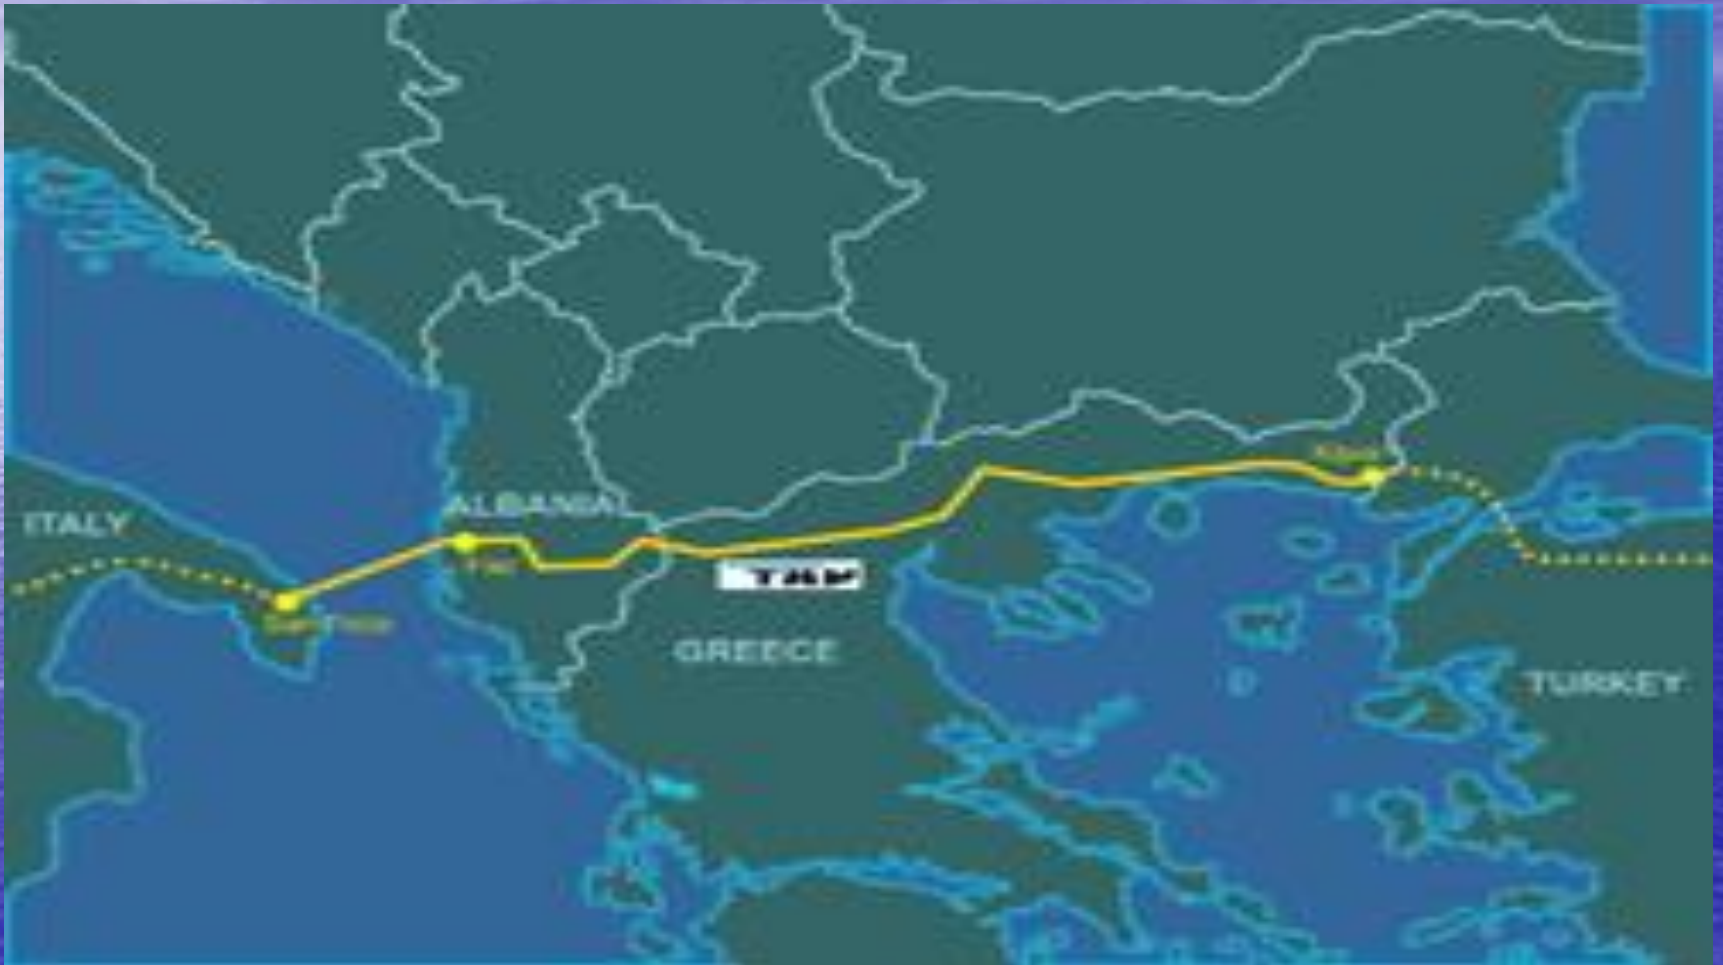

Trieste in 1885

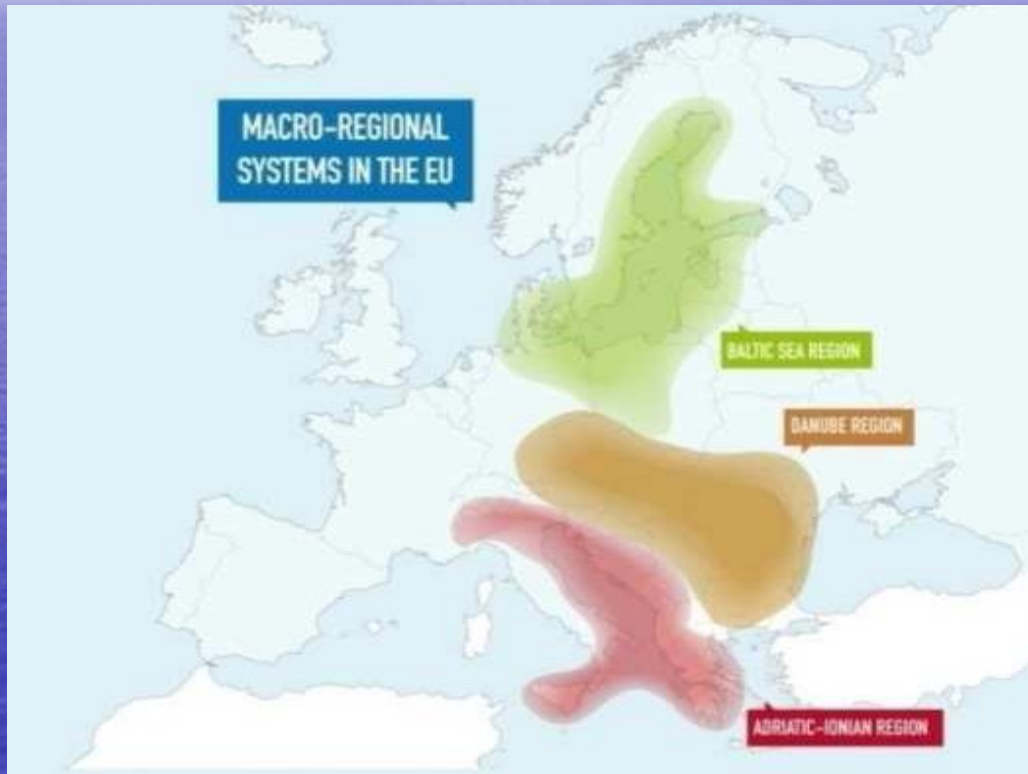

Pipelines in Europe

Trans Adriatic Pipeline, TAP

Danube, Baltic and the Adriatic – Ionian Macro–regions

Source: the All 'Macro-region Report'

EU Strategy for the Adriatic-Ionian Region

- Four thematic pillars:

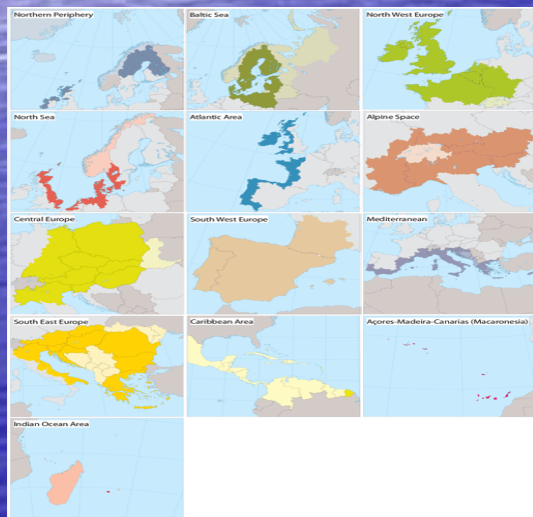

1. Driving innovative maritime and marine growth
2. Connecting the region (transport and energy)
3. Preserving, protecting and improving the quality of the environment
4. Increasing regional attractiveness (tourism)

Cross-cutting aspects:

- Research, innovation and SMEs development,
- Capacity Building

European Territorial Co-operation

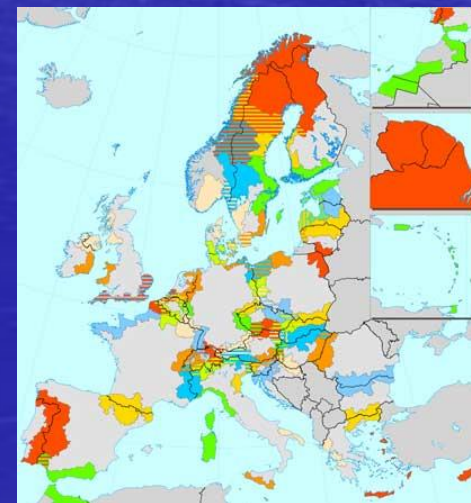

Co-operation across borders

Interregional Cooperation

Transnational co-operation programmes

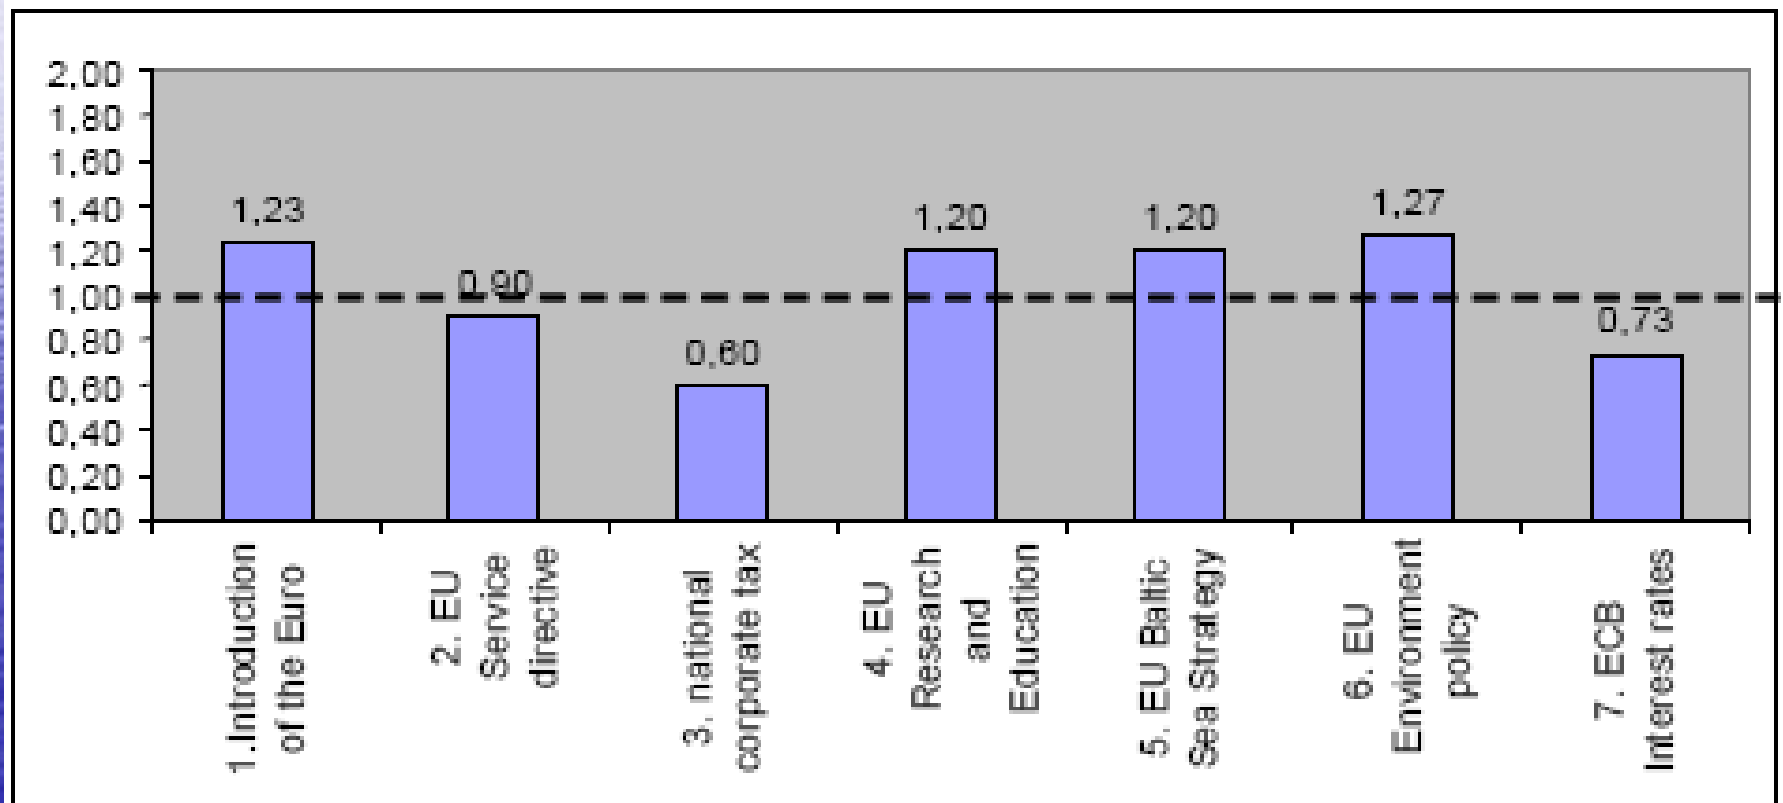

Existing European Macro Regional Strategies

The BCCA forecast report (2009)

Policy importance for long term growth

Work-plan - 10 September 2010

In the coming period the DDCA has to achieve its four objectives defined as principles, namely:

- participation in the establishment of the Danube Strategy's principles
- information flow, initiation, integration and cohesion
- environment protection, commerce, tourism
- lobby

Cooperation with international and transnational organizations

Propositions

1. Work Plan 2014-2020
