Adriatic Ionian ETC Programme 2014-2020

European Territorial Cooperation The new Adriatic Ionian 2014-2020 Transnational Programme

Silvia Grandi, PhD – Coordinator of the Start-up of the Programme Managing Authority

Director of Division - Institutional Agreements & Special Area Programmes

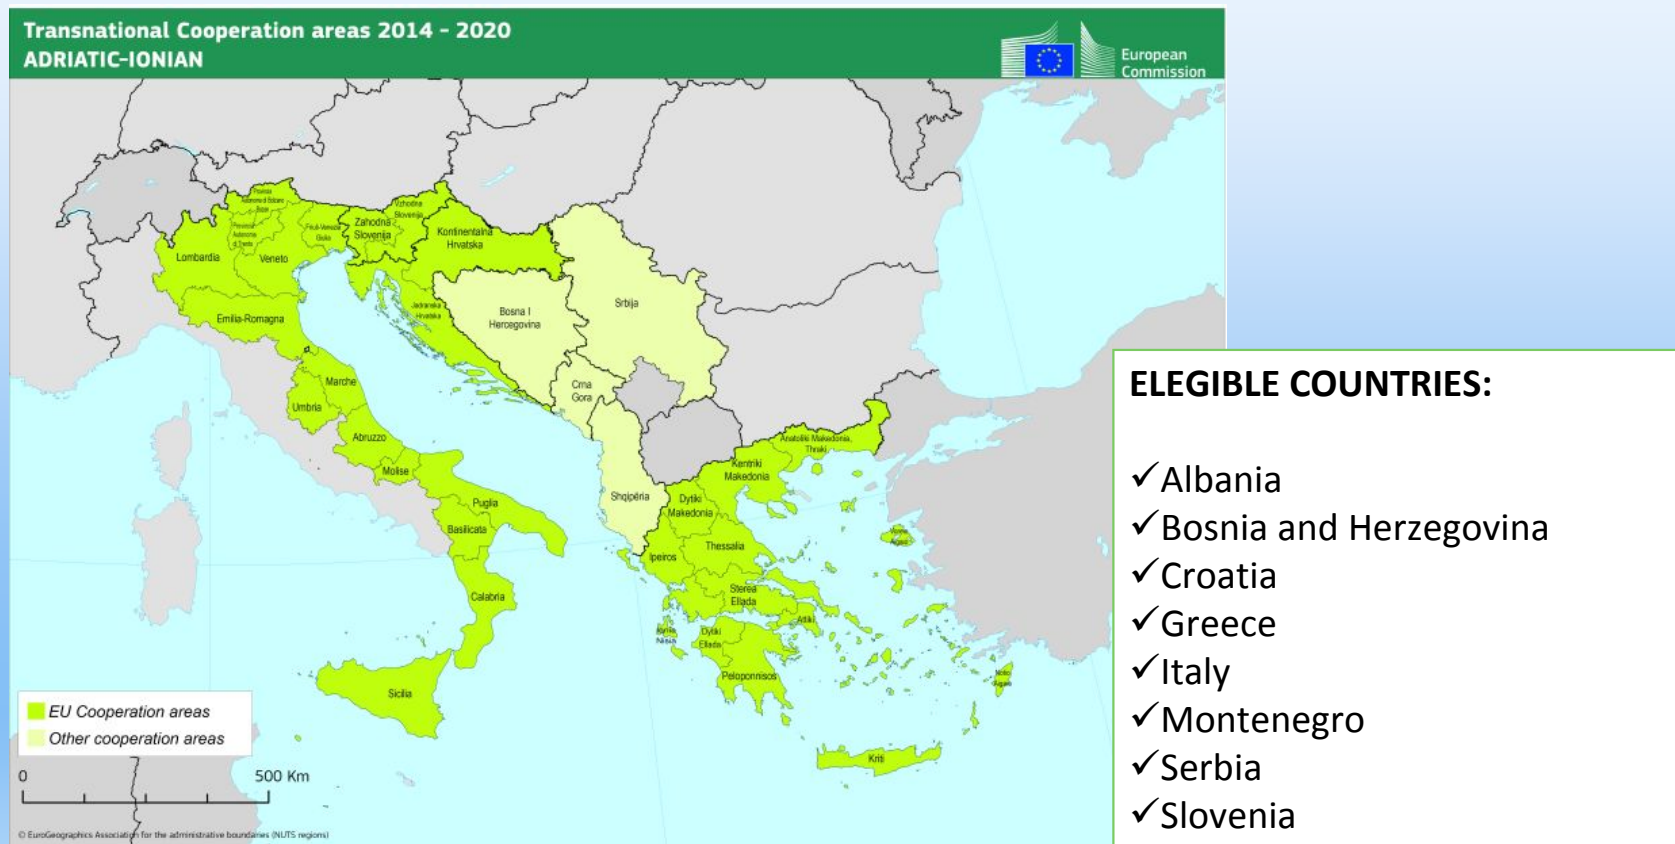

Emilia-Romagna Region (Italy)

A bit of History

- Dec. 2012 - South East Europe Programme will be covered in the next programming period 2014-2020 by two transnational programmes: Danube and South East Gateway. These two new programmes will support the development and implementation of two Macro Regional Strategies: Danube and Adriatic-Ionian Regions.
- On 2nd August 2013, the European Commission proposed to adjust the Task Force composition and re-focus it towards an Adriatic-Ionian programme which should be confined to the 8 countries of the forthcoming macro-regional strategy.
- A third transnational programme in the area was proposed by the EC in December 2013: Balkan-Mediterranean.

Geographical Scope

Objectives

- **General:** *Promote sustainable economic and social prosperity of the Adriatic and Ionian region through growth and jobs creation, by improving its attractiveness, competitiveness and connectivity while at the same time preserving the environment and ensuring healthy and balanced marine and coastal ecosystems*
- **Thematic Objectives:** *to be decided via Public Consultation*

*TO11 Capacity Building included
by default – linked to EUSAIR*

A New connecting Programme in the EUSAIR Area

Attention!

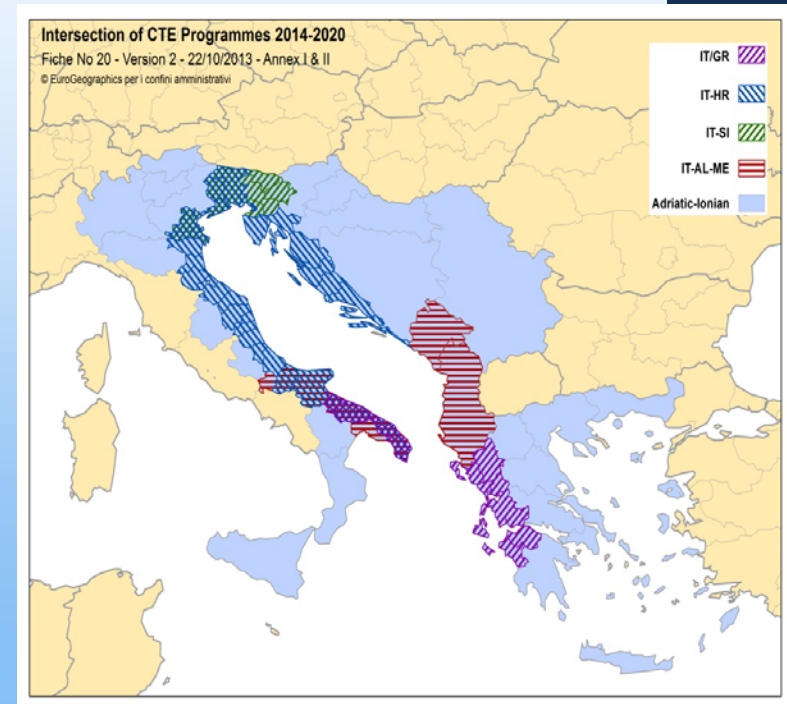

The Adriatic Ionian Programme is **NOT** the only Fund to accomplish EUSAIR Macroregional strategic objectives

THIS WILL BE A LIMIT!

It aims “ONLY” to supports the development and implementation of the EUSAIR in terms of governance (TO 11) and some projects

Consider ALSO:

- Other European Territorial Cooperation programmes
- Mainstream European Structural & Investment Funds
- Horizon2020, Creative Europe, CEF, LIFE+, Erasmus+, etc
- EIB, BERS, national & private funds (PPP
- ...
